Re: Notice of Approval of Bulk and/or Compiled Data Request for LexisNexis Risk Data Retrieval Services LLC

Date: January 26, 2015

LexisNexis Risk Data Retrieval Services LLC has submitted a request for bulk distribution and/or compiled data of non-confidential court records with the Division of State Court Administration.

As you know, Administrative Rule 9(F) and the comments that follow require:

- All requests for bulk and/or compiled court information and information from multiple courts be made to the Executive Director of the Supreme Court Division of State Court Administration.
- As a condition precedent to seeking bulk and/or compiled data from courts, the Supreme Court requires the requester to execute a user agreement with the Division. The agreement incorporates the Supreme Court's general policies regarding the use and resale of bulk and/or compiled court data.
- The Executive Director may forward the request to the court exercising jurisdiction over the records.

- The request for bulk distribution or compiled information may be granted upon determination that the information sought is consistent with the purposes of this rule; that resources are available to prepare the information, and that fulfilling the request is appropriate use of public resources.
- The grant of such request may be made contingent upon the requester paying an amount, which the court determines is the fair market value of the information.
- The rule authorizes courts, in their discretion, to provide access to bulk and compiled data; the rule does not require that such information be made available. Permitting bulk distribution or compiled information should not be authorized if providing the data will interfere with the normal operations of the court.

The Division has approved this bulk data request and LexisNexis Risk Data Retrieval Services LLC has signed the required user agreement. Copies of the Bulk Data Request and User Agreement are attached. These documents show what LexisNexis Risk Data Retrieval Services LLC has requested and been approved to receive. The request was approved on January 20, 2015 and expires on January 31, 2016.

Since your court or county uses a case management system other than Odyssey, the Division is forwarding this request to you, with a copy to your clerk, because we do not have access to your data. LexisNexis Risk Data Retrieval Services LLC has been notified that it must contact you or your clerk to seek your approval for the distribution of the compiled information from your court or county. **Depending upon the specifics of LexisNexis Risk Data Retrieval Services LLC request, it may be necessary for you to redact information so that you only provide them with the approved information.**

Information about all companies that have been approved to receive bulk distribution and or compiled court records for 2015 can be found on the Indiana Supreme Court's website at:
<http://www.in.gov/judiciary/admin/2459.htm>

Do not hesitate to contact me at richard.payne@courts.in.gov or 317-232-2542 if you have questions.

Re: Bulk Data Request

Dear Ms. Sanderson

Your request, on behalf of LexisNexis Risk Data Retrieval Services, LLC, to obtain bulk distribution of non-confidential court records from Lawrenceburg City Court and courts in Boone, Crawford, Dearborn, Lake, Ohio, Pulaski and Tippecanoe counties has been approved by the Division of State Court Administration pursuant to Indiana Administrative Rule 9(F), subject to the terms of this letter and the executed Combined User Agreement for Bulk Distribution of Data or Compiled Information, Form TCM-AR9(F)-1.

Indiana Administrative Rule 9(F)(2) places authority in the Indiana Supreme Court with respect to records from multiple courts such as those maintained in the Odyssey data repository. By Order dated September 13, 2011, *In the Matter of Bulk Distribution of and Remote Access to Court Records in Electronic Form*, Case No. 94S00-1109-MS-552, the Indiana Supreme Court authorizes bulk distribution of Odyssey records that are not excluded from public access by Administrative Rule 9(G) or (H), and authorizes the Division to review written requests for bulk distribution of Odyssey records and, if appropriate, approve such requests.

You are approved to receive bulk distribution of Odyssey records and the Division will provide bulk distribution of such records to you, subject to the following additional conditions: (1) You must make arrangements for payment for the records in accordance with Administrative Rule 9 and the Supreme Court's Order of September 13, 2011; (2) Your approval is subject to the executed User Agreement for the Use of Bulk Data from Indiana Odyssey Case Management System, and (3) You are prohibited from providing bulk distribution of Odyssey records to any third party.

As explained in the User Agreement, the execution of the agreement and approval by the Division do not create any mandatory obligation on the part of any court or clerk to provide bulk distribution of court records or compiled information. You will need to contact the clerk from all counties not

using the Odyssey system to seek distribution of this data. Except as explained in the following two paragraphs, it is up to each court to determine whether or not to provide bulk distribution of its records as well as the fair market value of the records.

A distribution receipt form that must be completed and returned to this office within thirty (30) days of receiving bulk distribution or compiled information from court records from courts that do not use Odyssey.

An executed copy of your user agreement, Form TCM-AR9(F)-1, is enclosed. The agreement will expire on January 31, 2016. Please contact the Division's Court Technology Staff at 317.232.2542 in order to proceed with receipt of your data. A copy of their Order Form is attached for your use.

If you have any questions, please contact me at richard.payne@courts.IN.gov or (317) 234-5398.

Sincerely,

 Distribution Receipt for Bulk Data or Compiled Information

Indiana Supreme Court Division of State Court Administration

USER AGREEMENT FOR BULK DISTRIBUTION OF DATA OR COMPILED INFORMATION NOT EXCLUDED FROM PUBLIC ACCESS UNDER ADMINISTRATIVE RULE 9

The parties to this agreement are the Indiana Supreme Court through its Division of State Court Administration ("Division") and LexisNexis Risk Data Retrieval Services, LLC ("Requesting Party").

Recitals

Under Administrative Rule 9(F)(2), the Division is responsible for processing all requests for Bulk Distribution of Data or Compiled Information by Indiana Courts.

The Division reviews each request for Bulk Distribution to insure the request is consistent with the purposes of Administrative Rule 9 ("Rule 9"), resources are available to prepare the information and each request is an appropriate use of public resources.

The Indiana Supreme Court holds the software license and the rights to the Odyssey case management system for Indiana courts and clerks.

The Indiana Supreme Court has authorized the Division to release Odyssey records in bulk in an Order dated September 13, 2011, Case No. 94S00-1109-MS-552.

The Requesting Party has sought a Bulk Distribution of Data or Compiled Information for its own use which has been approved by the Division.

The Requesting Party is willing to comply with restrictions on usage of the Data and Compiled Information.

Requested data contained in the Odyssey case management system will be provided by the Division. If all or some of the requested data is not contained in the Odyssey case management system, the Requesting Party is not automatically entitled to the distribution of such Data or Compiled Information of a court simply by the approval of this user agreement by the Division. Provision of Data or Compiled Information that is not contained in the Odyssey case management system must be determined by each court or clerk based upon a determination that the information sought is consistent with the purposes of Administrative Rule 9, that resources are available to prepare the information and that fulfilling the request is an appropriate use of public resources.

The Requesting Party may be required to pay the fair market value of the information requested as determined by the Division or a Court providing the information.

The Bulk Distribution is limited to court records even if the Requesting Party is seeking other information that is governed by other agencies' policies.

In order to establish the respective functions and responsibilities of the Parties pertaining to the dissemination and use of Indiana court information under the provisions of Administrative Rule 9 of the Indiana Rules of Court ("Rule 9"), the parties now, therefore, agree as follows:

1. Definitions. For the purpose of this Agreement, the following terms shall have the meanings as set forth in Rule 9, section C: Administrative Record, Bulk Distribution, Case Record, Clerk of Court, Compiled Information, Court, Court Record and Public Access. The following terms shall be defined as stated:

A. "Agreement" means this User Agreement for Bulk Distribution of Data or Compiled Information, as well as any attachments or exhibits that may be affixed to this document or referenced within the agreement.

B. "Data" means any computer or machine-readable copy of Court Records provided by a Court to the Requesting Party.

C. "Subscriber" means a client or customer of Requesting Party to whom bulk Data or compiled information is provided or to whom access to bulk Data or Compiled Information is given.

D. "Requesting Party" includes the above-identified party and all entities and known names under which the business operates, all subsidiaries that will utilize the Data or Compiled Information provided and all names under which subsequent individual requests to courts shall be made.

2. Records Approved for Distribution as Bulk Data or Compiled Information.

A. Court Records Sought and Approved.

1, List of Courts:

Odyssey Courts: Lawrenceburg City Court (Dearborn Co.)

Non-Odyssey Courts: Boone, Crawford, Dearborn, Lake, Ohio, Pulaski and Tippecanoe

2. List of Records: Criminal and traffic court files from all courts in the above counties.

B. Court Records Maintained in the Odyssey data repository.

1. The Division will provide the Requesting Party the initial data extract of the approved records pursuant to the authorization order of the Indiana Supreme Court of September 13, 2011, Case Number 94S00-1109-MS-552. When the approved request requires more than a single extract of data, the Division will provide a monthly data extract thereafter on or before the tenth day of each month of the term of the approval.

2. The Division will provide the Requesting Party with an invoice for each extract if the Court or Division has determined that the Requesting Party shall pay

the fair market value of the extracted data. All payments shall be made by check and payable to Division of State Court Administration bearing a notation of the invoice number and that payment is for Odyssey Bulk Records or Compiled Information.

3. The extracted data will be made available to the Requesting Party through an SFTP account accessing client specific folders at SFTP.IN.Gov.

C. Court Records Not Maintained in the Odyssey data repository.

Subject to specific permission from the Courts identified above that are not on the Odyssey Case Management System, the Division hereby grants to the Requesting Party restricted authorization to receive from such Courts the Court Records specifically identified above for the Requesting Party's own use in accordance with the terms and conditions of this Agreement.

Execution of this Agreement and approval of the Requesting Party's request by the Division does not create any mandatory obligation on the part of any Clerk of Court or Court to provide Court Records to the Requesting Party. Under Rule 9(F), the individual non-Odyssey Courts must determine on an individual basis whether resources are available to transfer the Court Records to the Requesting Party and whether fulfilling the request is an appropriate use of public resources and is consistent with the purposes of Rule 9. The Courts must determine on an individual basis whether to assess a charge for providing the Court Records may make the granting of the request contingent upon the Requesting Party paying an amount which the Court determines is the fair market value of the information.

3. Rights and Interests.

All rights, title and interests, including all intellectual property rights, in and to the Court Records, data, code, application or any other information provided to the Requesting Party shall remain with the Courts. The Requesting Party shall not acquire any proprietary right to or interest in any Court Records, data, code, application or any other information provided to the Requesting Party under this Agreement, whether or not the Court's records, data, code, application or other information is incorporated in or integrated with in any way whatsoever with the Requesting Party's property, data, code, reports, application, program, system or any other sort of product. Such rights may not be transferred, assigned, or sold for any purpose to any person, corporation, partnership, association, or organization of any kind.

The Requesting Party shall provide the Division with the names of all entities that receive access to the data provided by the Division that are related in any way to the Requesting Party, including subsidiaries and affiliates, the names under which the Requesting Party is doing business and any other related entity names. The Requesting Party shall supplement this agreement within thirty (30) days of a change in the list of names provided to the Division as requested by this section.

4. Ongoing Data Scrubbing and Update Requirements.

The status of a Court Record may change over time and the Requesting Party shall refresh all records with each new extract received so that cases sealed or restricted since the last extract will be accurately reflected in the database.

The Requesting Party shall comply fully with Rule 9 and shall delete any Social Security Number, bank account number and any other confidential information that is inadvertently included in the Court Records and take other appropriate action to ensure that such confidential information is not disclosed to others. Upon notice, the Requesting Party shall comply with future orders to scrub data if they should arise.

5. Restrictions on Use of Data.

A. Compliance with Authorities.

The Requesting Party shall comply with all current and, as subsequently amended, federal and state laws, court rules, administrative rules and policies governing, regulating, and/or relating to Court Records.

B. Resale of Data.

The Requesting Party shall not reproduce, resell or otherwise distribute the Court Records or Data provided under this Agreement except in response to an inquiry from an individual for a Court Record or compilations or reports incidental to such individual Case Record as part of a service provided by Requesting Party. The Requesting Party shall not make Bulk Distribution of the Court Records or reconfigure the Court Records for subsequent Bulk Distributions.

C. Policies for Dissemination of Data.

The Requesting Party shall not disseminate Court Records to the public through remote electronic access such as the Internet or other electronic method unless the Clerk first obtains approval from the Division under Trial Rule 77(K). In the event the Requesting Party plans to offer a service allowing others to review the Court Records and disseminate information in the Court Records to subscribers, customers, clients, or other third parties, a current copy of the Requesting Party's policies and information related to the dissemination shall be attached hereto as an Exhibit B. The Requesting Party is under an ongoing obligation to provide the Division with a copy of any updated Policy information within thirty (30) days of its modification.

6. Bulk Transfer to Third Parties.

The Requesting Party is prohibited from making a Bulk Distribution of the data or the compiled information obtained through this agreement to another party.

7. Reporting Requirement.

With respect to Court Records not maintained in the Odyssey data repository, within thirty (30) days after the Requesting Party receives the first or only distribution of Court Records, the Requesting Party shall file with the Division of State Court Administration the Distribution Receipt Form, Form TCM-AR9(F)-3. However, the Requesting Party is not required to file with the Division a Form TCM-AR9(F)-3 for Court Records the Requesting Party receives from the Odyssey data repository.

8. Disclosure Requirements.

The Requesting Party shall provide a disclosure statement similar to the one set forth below to each subscriber, customer, client or other third party who is provided access to the Court Records at the time any information from the Court Records is made available to them. At

a minimum, the Requesting Party will ensure that a statement similar to the one set forth below, is displayed or provided to each subscriber, customer, client or other third party every time information from the Court Records is made available.

The data or information provided is based on information obtained from Indiana Courts on _____ (insert date most current version was created or in the case of data from multiple sources, the range of dates relevant to the displayed data). The Division of State Court Administration and the Indiana Courts and Clerks of Court: 1) Do not warrant that the information is accurate or complete; 2) Make no representations regarding the identity of any persons whose names appear in the information; and 3) Disclaim any liability for any damages resulting from the release or use of the information. The user should verify the information by personally consulting the official record maintained by the court in question.

9. Audits.

The Division may, at its discretion, perform audits to verify compliance with the terms and conditions of this Agreement and the appropriate use of the Court Records. The Requesting Party shall cooperate with the Division in such audit.

A. The Requesting Party agrees that the Division may include "control" or "salted" data as a portion of the Court Records as a means to ensure that any personally identifiable information is not used for commercial solicitation purposes or in an indiscriminate and reckless manner.

B. The Requesting Party agrees to provide the Division with access, at no charge, to any database created using the Court Records for the purpose of monitoring and auditing contract compliance.

C. The Requesting Party agrees to provide the Division with copies of the materials and information the Requesting Party provides its subscribers, customers, clients, or other third parties.

10. Disclaimer of Warranties.

The Division, Courts, and Clerks of Court provide no warranties, express or implied and specifically disclaim without limitation any implied warranties of merchantability and fitness for a particular purpose, with respect to the Court Records or Data provided under this Agreement. All Court Records and Data provided under this Agreement are provided "As Is". The Division, Courts, and Clerks of Court further provide no warranties, express or implied, that the Court Records or Data is accurate, current, correct, or complete. It is expressly understood that it is the responsibility of the Requesting Party and/or its subscribers, customers, clients, or other third parties to whom the Court Records and Data is supplied to verify the Court Records and Data with the official information maintained by the Court having jurisdiction over the Court Records.

Reproductions of the Court Records or Data provided to the Requesting Party shall not be represented as a certified copy of the Court Record.

11. Limitation of Liability.

The Requesting Party acknowledges and accepts that the Court Records or Data are provided "as is" and may include errors or omissions and, therefore the Requesting Party agrees, that the Division, Courts, and Clerks of Court shall not be responsible or liable in any way whatsoever for the validity of the Court Records or Data. Specifically:

A. The Division, Courts, and Clerks of Court shall not be liable for any demand or claim regardless of the form of action, for any damages resulting from the use of the Court Records or Data by the Requesting Party, its successor or assignee, or any of its subscribers, authors, clients or other parties.

B. The Division, Courts, and Clerks of Court shall not be liable for any demand or claim, regardless of form of action, for any damages arising from incorrect or incomplete information provided under this Agreement.

C. The Division, Courts, and Clerks of Court shall not be liable to the Requesting Party or any other party for any loss, including revenue, profits, time, goodwill, computer time, destruction of data, damages or any other indirect, special or consequential damage which may rise from the use, operation, distribution, transfer or modification of the Court Records or Data.

12. Indemnification.

The Requesting Party shall defend, indemnify, and hold harmless the Division, Courts, and Clerks of Court, their respective employees and agents, and the State of Indiana from and against all claims, demands, suits, actions, judgments, damages, loss or risk of loss (including expenses, costs, and attorney fees) of any and every kind and by whomever and whenever alleged or asserted arising out of or related to any use, distribution or transfer made of the Court Records or Data by the Requesting Party, its successor or assignee, or any of its subscribers, customers, clients or any other parties.

Subject: Access to Odyssey Case Management System

Hello Mary,

My name is Krissi Sanderson and I am with LexisNexis. I was researching your Odyssey case management system online and read that any commercial vendors interested in obtaining access to the data should contact the Division of State Court Administration. I was directed to you.

We are interested in obtaining a bulk extract of the records available in the system online. Do you have anything in place that would allow you to send us an electronic bulk extract via email, ftp, etc; or is the only available option to search per record basis on the website?

Any information you can provide would be greatly appreciated.

Thank you,

Re: Bulk Data Request

Dear Ms. Sanderson

I write in response to your request for bulk and/or compiled data from Indiana courts. Specifically you have requested all traffic and criminal records for the courts in Boone, Crawford, Dearborn, Lake, Ohio, Pulaski and Tippecanoe Counties.

As you are aware, Administrative Rule 9(F) provides as a condition precedent to seeking bulk distribution or compiled information from any Indiana court, you must submit the request for such data to the Executive Director of the Indiana Supreme Court Division of State Court Administration (the "Division"). This rule and the comments that follow provide that a request for bulk distribution or compiled information may be granted upon determination that the information sought is consistent with the purposes of this rule, that resources are available to prepare the information and that fulfilling the request is an appropriate use of public resources. The grant of such request may be made contingent upon the requester paying an amount, which the court determines is the fair market value of the information.

The Chief Deputy Executive Director, David Remondini, has approved your request and seeks your signature on the attached User Agreement. The agreement incorporates the Indiana Supreme Court's general policies regarding the use and resale of bulk and/or compiled court data. Mr. Remondini has already signed the agreement(s) in anticipation of your signature. Please sign and return the agreement(s) to us. We do need your original signature. We also need a list of all business entity names related to your company and all company policies provided to its subscribers/customers/clients. These will be attached and incorporated into the User Agreements.

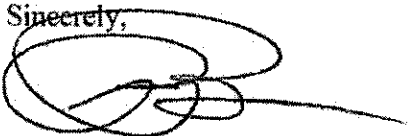

You have requested data from some Indiana Counties that do not use the statewide case management system. Our office only has access to court records from counties using the statewide case management system (the "Odyssey" system). Since we do not have access to those counties

using other case management systems, Administrative Rule 9(F)(2) provides that the Executive Director may forward the request to courts exercising jurisdictions over the records. We will be forwarding a copy of your request to the presiding judge with a copy to the clerk of court notifying them of the Division's approval of your request. The comments to Administrative Rule 9(F)(2) authorizes courts, in their discretion, to provide access to bulk and compiled data; it does not require that such information be made available. Permitting bulk distribution or compiled information should not be authorized if providing the data will interfere with the normal operations of the court.

Once you have executed the attached User Agreement and returned the agreement to us, copies of the Division's approval of your request and the User Agreement will be forwarded to all counties not using the Odyssey system. You will need to contact the clerks from the non-Odyssey counties to seek approval of your request. Court Technology will provide records from the Odyssey system but you need to contact them to initiate the process. You can contact them by calling its Director, Mary DePrez, at 317-233-9926 or her assistant, Mary Kronoshek at 317-234-2710.

Feel free to contact me at richard.payne@courts.IN.gov or (317) 234-5398 if you have questions.

Sincerely,

Richard T. Payne
